

Pit Stop Challenge

Safety Instructions

1. If using game outdoors, it is strongly suggested that you use the stakes provided on either side of the bottom supports. Use sandbags on pavement. And in a breeze, use sandbags with the stakes.
2. **NEVER USE THE GAME IN STRONG WINDS OR LIGHTENING!!**
3. Use caution when setting up or taking down the game. Once the bolts are loosened the sections of tubing can come apart and fall down causing injury.
4. Be sure that there is plenty of clearance between the player and spectators.
5. Keep spectators clear from the sides and back of canvas and the air compressor.
6. Make sure that the air hose and the electrical cord are not a trip hazard.
7. Pinch off a small amount of the butyl rubber and wrap it around the stem of the air wrench. This will help to hold the socket in place.
8. **PLAYERS SHOULD ALWAYS WEAR SAFETY GOGGLES.**
9. **NEVER LEAVE GAME UNATTENDED.**

**DO NOT USE IN RAIN, WIND,
LIGHTENING, OR WET AREAS.**
